Good morning Wrexham County Borough Council,

Thank you for your email.

Regarding planning application P/2023/0690, National Grid Electricity Transmission have no objection to the proposal that is nearby to our overhead lines.

I have attached our profile drawings which state the height clearances that need to be considered when travelling beneath our lines and our guidelines which need to be followed when carrying out any works.

If you would like to view if there are any other affected assets in this area, please raise an enquiry with www.lsbud.co.uk. Additionally, if the location or works type changes, please raise an enquiry.

Please note this response is only in reference to National Grid Electricity Transmission assets only. National Grid Electricity Distribution (formerly WPD) and National Gas Transmission (formerly National Grid Gas) should be consulted separately where required.

Kind regards,

NGET Asset Protection Team
