Hi Dan,

Please see the attached elevations drawings as requested.

Facia boards will be painted white same as the windows. As discussed with you onsite, the doors will be painted this colour green - <https://www.littlegreene.com/livid>

The lime mortar mix - 1 lime to 2.5 sand for outside brick and 1 lime to 3 sand for inside.

Yes we can confirm they have been reroofed with the original Welsh existing slates as Cath (your colleague recommended).

Can you confirm this is everything now? We have been waiting a long time for this.

Thanks Sarah and Adrian.
