Dear Sir/Madam,

PROPOSAL: CHANGE OF USE FROM OFFICES TO CLASS D2 (LEISURE), MARTIAL ARTS TRAINING AND FITNESS AREA

LOCATION: Unit 6b, Elm House, 6 Pandy Business Park, Pandy, Wrexham

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 09 July 2024.

We have no objection to the proposed development as submitted and provide the following advice.

Foul Drainage and Protected Sites

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our [Advice to Planning Authorities for Planning Applications Affecting Nutrient Sensitive River Special Areas of Conservation \(28 June 2024\)](#), under the Habitats Regulations, Planning Authorities must consider the impact of proposed developments on water quality within SAC river catchments.

However, recognising the specific nature of the application submitted (your Authority confirmed on 11 July 2024 the development is “*intended to provide services, facilities, commercial sites, or places of employment...for a local population*”), we are satisfied that there is unlikely to be a source of additional nutrients. As such, in our opinion, it would be reasonable for your Authority to screen out this proposal as not likely to have a significant effect on the River Dee and Bala Lake SAC in relation to nutrient inputs.

Protected Species

We note that there is no information about protected species with the application and, therefore, are assuming that your Authority has screened the application and concluded that there is not a reasonable likelihood of protected species being present.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yours faithfully,

Tristan Williams
