Good afternoon, Jenni,

Thank you for the consultation on the application referenced above..

Having consulted the information held within the Historic Environment Record I can confirm that there are no archaeological implications for the development. Cadw should be consulted regarding the development due to its location and association to the Brymbo Ironworks: Early Blast Furnace, Cast House & Foundry (SM 3811), approximately 80m to the southwest of the parking area.

Kind regards,

Neil
