

Dear Sir/ Madam

I would like to register my support for the Christmas Farm, Llay Road, Wrexham. I live locally and think that this venture is an asset to the community. I have visited them on several occasions both with and without my grandchildren and would love to be able to visit them on a regular basis, but this opportunity has been denied by the local council failing to make a full assessment of the situation and the community as a whole.

The council's own failure to maintain the paths has contributed to their decision, but the reality is that Christmas Farm, has been set up with forethought, it has taken account of the area and environment and it's events are well organised, with defined areas and enclosure which ensure safety for the people visiting. It encourages people of all ages to enjoy outside activities at affordable costs, which is invaluable in todays economic circumstances.

I sincerely hope you will give this matter your full consideration, taking into account the opinions of those of us in the local community who are in full support of the project and believe it can only be a positive and much needed addition to the area.

Your faithfully

Yvonne Thomas (Mrs)
