

Hello

Below is an email I sent in favour of The Christmas Farm in October 2022.

I have since visited the farm at Christmas time and it was a lovely place to visit with the family, we thoroughly enjoyed it.

It also provided seasonal work for local youngsters, and generally had a lovely family atmosphere.

It was very well run and a fantastic addition to the local community. We didn't find it to be overly busy and there was no issues with traffic or parking.

Kind Regards

Nerys Hutt

Hello

We've not had the pleasure of visiting yet, however very much looking forward to visiting at Christmas. I was excited to have this venue on the doorstep when I saw that you were opening.

It's lovely for families to visit an event in their local area. Good luck, and see you at Christmas.

Best Wishes

Nerys Hutt
