SUPPORT OF APPLICATION FOR PLANNING PERMISSION AT TORRIAD FARM

I am writing to offer support for the application of planning permission at Torriad Farm, from a welfare perspective, as the vet responsible for the farm.

Andrew and Nia Jones milk approximately 270 dairy cows, that require round the clock care from an animal welfare perspective. On site accommodation would allow for this ensuring any health issues that required attention could be actioned immediately.

If you have any further queries please do not hesitate to contact me on 07841 919227.

Yours faithfully
