Good morning,

Regarding the application referenced above.

Having consulted the information held within the Historic Environment Record I can confirm that there are no archaeological implications for the application, however CADW should be consulted regarding the scheduled monument, DE141, Offa's Dyke: Section SW from Tatham Bridge, 50m to the north, and the Wynnstay registered park, PGW(C)64(WRE), 43m to the southwest.

Kind regards,

Neil
