Dear Sir/Madam

Grid Ref: SJ359554 336027 355400

Site: High Barton, Marford Hill, Marford, Wrexham

Development: Discharge of condition 4 (drainage) of planning permission P/2023/0074

We refer to your planning consultation relating to the above site, and we can provide the following comments in respect to the proposed development.

As part of this latest application for discharge of condition 4 of planning permission P/2023/0074, we acknowledge receipt of a 'Proposed Surface Water & Foul Networks' (Drawing No. CCDC0027/01/01 Rev. C) which indicates proposals to discharge surface water flows to a soakaway and foul flows to the public sewer. In principle, we offer no objection to this application for discharge of condition 4. Notwithstanding this, in relation to foul water flows, please note the applicant has not obtained/concluded approval under Section 104 of the Water Industry Act 1991 and therefore amendments may be required through this process. The applicant will be responsible for notifying the Local Planning Authority of any amendments made through this process.

Our response is based on the information provided by your application. Should the proposal alter during the course of the application process we kindly request that we are re-consulted and reserve the right to make new representation.
