Note(s) to applicant

All works relating to this development which are audible beyond the site boundary should be carried out only between 7.30 and 18.00 hrs Monday to Friday, and 08.00 to 14.00 hrs on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant is further advised that any complaints received relating to noise of any type from the development may also be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints. This is done under the Statutory Nuisance provisions provided within the Environmental Protection Act 1990, and legal action may be taken where appropriate.

The applicant must adhere to the times given above wherever possible. If however there are urgent or unavoidable circumstances requiring works outside of the specified times, permission to proceed may be sought by contacting Environmental Health and Housing Standards at: healthandhousing@wrexham.gov.uk or 01978 292040. Please use the same contact details for any other enquiries regarding construction / demolition site noise.

Natural Resources Wales (NRW)

NRW advise the applicant to secure any other permits/consents/licences that may be relevant to the development. Please see the website for further details <https://naturalresources.wales/permits-and-permissions/?lang=en>

Foul Drainage NRW advise that it is a legal requirement to apply for an environmental permit or register as an exemption with them. The applicant is advised to discuss this with the NRW Permitting Team 0300 065 3000. If the applicant already hold an exemption/permit, they should check whether the proposed increased in flows would require a new/varied permit.

More information, including a step by step guide to registering can be found on the website <https://naturalresources.wales/permits-and-permissions/water-discharges-and-septic-tanks/?lang=en>

The applicant is also referred to Guidance for Pollution Prevention 4 on the NetRegs website <https://www.netregs.org.uk/environmental-topics/guidance-for-pollution-prevention-gpp-documents/guidance-for-pollution-prevention-gpps-full-list>
