CAE MYNYDD PENTRE MINERA WREXHAM
Grid Ref: E 326968 N 351439

I refer to your consultation / email dated 06/09/2023 in respect of the above.

The description in the application refers to dividing the existing paddock and therefore non of the fencing nor gates will be affecting the B5426, and access to the paddock will be via the existing farm track at the west end of the paddock. We therefore have no objection to this proposal.
