		Decision Date	24/08/2023

3. No part of the development shall commence until a detailed Arboricultural Method Statement has been submitted to and approved in writing by the Local Planning Authority. No development or other operations shall take place except in strict accordance with the Method Statement as is approved. The Method Statement shall include the following:
 - a) A specification for tree protection fencing and ground protection measures that comply with British Standard 5837:2012;
 - b) A Tree Protection Plan showing the location of the trees to be removed and retained with their crown spreads, Root Protection Areas, Construction Exclusion Zones, and location of protective fencing and ground protection measures accurately plotted;
 - c) A full specification for any access, driveway, path, underground services or wall foundations within retained tree Root Protection Areas or Construction Exclusion Zone, including any related sections and method for avoiding damage to retained trees;
 - d) Details of general arboricultural matters including proposed practices with regards to cement mixing, material storage and fires;
 - e) Details of the frequency of supervisory visits and procedures for notifying the findings of such visits to the Local Planning Authority;
 - f) Method for protecting retained trees during demolition works;
 - g) Details of all proposed tree works, including felling and pruning.
4. The vehicular parking and turning areas as shown on the 1:200 Proposed Block Plan approved on 22 June 2012 under reference P/2011/0922 shall be fully laid out, surfaced and drained prior to first use of the development. These areas shall thereafter be permanently retained and kept free of any obstruction, and made available solely for the parking and turning of motor vehicles at all times.
5. Prior to first occupation of the dwelling a footway shall be constructed along the Maes Eithen site frontage of the site to extend from the existing Rose Hill footway for a distance of 7 metres, in strict accordance with a scheme of details which has been submitted to and approved in writing by the Local Planning Authority.
6. Prior to first use of development a verge crossing to the site shall be constructed in strict accordance with Highway Authority adoptable standards.
7. No private surface water run off shall be permitted to flow from the development site onto the adjoining highway. An Aco drain or similar shall be provided across the approved access to intercept any such run off prior to first use of the development.
