Hi Sharon,

Thank you for consulting us on the discharge of conditions at Plas Grono Farm.

We are due to provide you with our responses to this consultation by the 13th December, however we require additional time in order to review the consultation.

Would it be possible to agree an extension on the consultation to Tuesday 19th December 2023 instead?

We will assume that our request is acceptable and that you agree to the extension, unless you confirm otherwise.

Please be assured, we will submit our formal response as soon as practical. However, if you have any queries about this, please do not hesitate to contact us.

Kind regards,

Rachael
