

In pursuance of its powers under the Acts and Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Applicant	MR PATRICK STEVENS	Code Number	CHI P/2021/1000
Agent	MR JAMES SUMNER BOWEN SON AND WATSON 1 KING STREET WREXHAM LL11 1HF	Date Received	07/10/2021
		Decision Date	08/12/2021

Town and Country Planning Act, 1990

Location of application

SPRING HOUSE, HOLYHEAD ROAD, CHIRK, WREXHAM, LL14 5NA

Description of application

NEWID DEFNYDD ADEILAD O DDOSBARTH B1 (SWYDDFA) I DDOSBARTH C3 (ANNEDD) / CHANGE OF USE OF BUILDING FROM CLASS B1 (OFFICE) TO CLASS C3 (DWELLING)

In reaching this decision the Council has had regard to the relevant policies in the Wrexham Unitary Development Plan which are as follows:-

EC7	Conservation Areas
GDP1	Development objectives
H2	Residential development within settlements
PS2	Development and the environment
T8	Parking

Revision	Date	Description of Decision
0	08/12/2021	Planning permission issued

Particulars of decision that permission be GRANTED

Subject to the following:-

Condition(s)

1. The development hereby permitted shall be commenced before the expiry of five years from the date of this permission.
2. The development shall only be carried out in strict accordance with the details shown on the approved drawing(s) dated 15/10/2021 and as contained within the application documentation.
3. No surface water from any increase in the roof area of the building /or impermeable surfaces within its curtilage shall be allowed to drain directly or indirectly to the public sewerage system.

Applicant	MR PATRICK STEVENS	Code Number	CHI P/2021/1000
Agent	MR JAMES SUMNER BOWEN SON AND WATSON 1 KING STREET WREXHAM LL11 1HF	Date Received	07/10/2021
		Decision Date	08/12/2021

4. No part of the development shall commence until a scheme of noise insulation and attenuation measures between the proposed development and adjoining commercial use (in compliance with Building regulations guidance: part E - resistance to the passage of sound) has been submitted to and approved in writing by the Local Planning Authority. The measures as are approved shall be fully implemented in strict accordance with the scheme prior to first occupation / use of the development and shall thereafter be retained as such.

Reason(s)

1. To comply with Section 91(3) of the Town and Country Planning Act, 1990.
2. To comply with section 71ZA (2) of the Town and Country Planning Act 1990.
3. To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment
4. To protect the amenities of the occupiers of nearby properties in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.

Note(s) to applicant

The proposed development site is crossed by public sewers with the approximate position being marked on the attached Statutory Public Sewer Record. The positions shall be accurately located, marked out on site before works commence and no operational development shall be carried out within a specified easement zone either side of the centreline of the public sewers. The applicant is advised to contact Welsh Water to discuss.

The applicant may need to apply to Dwr Cymru / Welsh Water for any connection to the public sewer under S106 of the Water industry Act 1991. If the connection to the public sewer network is either via a lateral drain (i.e. a drain which extends beyond the connecting property boundary) or via a new sewer (i.e. serves more than one property), it is now a mandatory requirement to first enter into a Section 104 Adoption Agreement (Water Industry Act 1991). The design of the sewers and lateral drains must also conform to the Welsh Ministers Standards for Gravity Foul Sewers and Lateral Drains, and conform with the publication ""Sewers for Adoption""? 7th Edition. Further information can

Applicant	MR PATRICK STEVENS	Code Number	CHI P/2021/1000
Agent	MR JAMES SUMNER BOWEN SON AND WATSON 1 KING STREET WREXHAM LL11 1HF	Date Received	07/10/2021
		Decision Date	08/12/2021

be obtained via the Developer Services pages of www.dwrcymru.com

The applicant is also advised that some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water to establish the location and status of the apparatus. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Planning & Regulatory Department on 01978 292040 for further advice and information.

All works relating to this development which are audible beyond the site boundary should be carried out only between 7.30 and 18.00 hrs Monday to Friday, and 08.00 to 14.00 hrs on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

Applicant	MR PATRICK STEVENS	Code Number	CHI P/2021/1000
Agent	MR JAMES SUMNER BOWEN SON AND WATSON 1 KING STREET WREXHAM LL11 1HF	Date Received	07/10/2021
		Decision Date	08/12/2021

The applicant is further advised that any complaints received relating to noise of any type from the development may also be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints. This is done under the Statutory Nuisance provisions provided within the Environmental Protection Act 1990, and legal action may be taken where appropriate.

The applicant must adhere to the times given above wherever possible. If however there are urgent or unavoidable circumstances requiring works outside of the specified times, permission to proceed may be sought by contacting Environmental Health and Housing Standards at: healthandhousing@wrexham.gov.uk or 01978 292040. Please use the same contact details for any other enquiries regarding construction / demolition site noise.

The Applicant is advised that under the Environmental Protection Act 1990, dust from construction and/or demolition activities can be judged to be causing a statutory nuisance to neighbouring properties. A legal notice can be served requiring that any dust nuisance is abated and failure to comply with the requirements of the notice can result in prosecution. The applicant should contact the Council's Planning & Regulatory Department on 01978 292040 for further advice and information.

The development site is in close proximity to industrial and commercial processes and the developer is therefore required to carry out a noise survey in order to determine noise levels for both day (0700 - 2300 hours) and night (2300 - 0700 hours) having regard to Planning Guidance (Wales), Technical Advice Note (TAN) 11 - Noise. The report of the noise survey findings shall include:

- a) Noise levels arising from day/night time activities in the vicinity of the proposed development site and the impact upon the proposed accommodation, and
- b) A detailed scheme of noise insulation and / or attenuation measures so designed to safeguard the amenity of the future occupants of the proposed accommodation hereby approved.
