Thank you Sarah. Maybe it's worth mentioning that we don't anticipate any increase in our foul drainage usage, as we will just be working in this building sometimes instead of next door which we already occupy. So their won't actually be any increase for the septic tank.

Thanks again
Marcus

Hi Marcus,

That's great, thank you and thanks for your prompt reply. I will pass that information over to NRW.

Regards

Sarah.

Hello, and thank you for your email.

I don't have the application in front of me, but we may have made a mistake as the toilet is already connected to the site's septic tank and this will not be changing.

Many thanks for your time on this.

Marcus

Hi Marcus,

I have been contacted by Natural Resources Wales to confirm the drainage proposals for the change of use. On your application form you state that foul drainage would be to a septic tank but connection will not be to the existing system, therefore NRW are assuming that you will be installing a new septic tank. Please can you confirm the proposals for foul drainage.

Thanks

Sarah.
