Hi Sharon

Hope you're keeping well.

David High, our Civils Engineer received confirmation from Jake at Welsh Water (please see email trail below) explaining they had responded with no objections to Condition 04 on 13/10/2023.

We haven't received the Discharge of the Condition to date, which is noted as a Pre-commencement Condition.

The Contractor is due to start on site today.

If you have any objections to the Contractor commencing on site please can you let me know before the end of today.

If we receive no communication, we will take this as confirmation it is ok to proceed.

Many thanks

Dee
