Annwyl Syr/Madam/Dear Sir/Madam,

BWRIAD/PROPOSAL: CODI YSTAFELL DDOSBARTH MEITHRINFA MODIWLAIDD A CHREU MAES PARCIO / ERECTION OF MODULAR NURSERY CLASSROOM AND CREATION OF CAR PARK

LLEOLIAD/LOCATION: THE BUNGALOW HENBLAS ROAD RHOSTYLLEN WREXHAM

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 07 November 2023.

We have no objection to the proposed development as submitted and provide the following advice.

Protected Sites - Foul Drainage

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). As you are aware, on the 21st January 2021, we published an evidence package outlining phosphorus levels for all river SACs across Wales. In line with our [Planning Advice](#) (August 2023), under the Habitats Regulations, Planning Authorities must consider the phosphorus impact of proposed developments on water quality within SAC river catchments. We therefore advise you to consider whether the proposals, as submitted, would increase the volume of foul discharge from the site in planning terms.

However, recognising the specific nature of the application submitted, the erection of modular nursery classroom and creation of car park for a local population already served by residential connections to the existing public sewer, we are satisfied that it is unlikely to increase the amount of phosphorus entering the catchment. Therefore, we are satisfied that the proposal is not likely to have a significant effect on the River Dee and Bala lake SAC.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is

published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully

Rhys Jones
