Good morning,

Regarding the application referenced above.

The condition for the Photographic Survey was not recommended by us (Clwyd-Powys Archaeological Trust), and subsequently we cannot discharge the condition. I note that the condition text does use my email, and original wording, but in this case, I did not make the photographic survey recommendation.

The condition will require the report to be discharged by the person who conditioned the photographic survey and they should be contacted.

Kind regards,

Neil Bayliss
