Subject: Planning Application P/2023/0312 - Berthengron Farm, Sontley

Good afternoon Sarah,

I'm emailing in relation to the above planning application submitted to Wrexham LPA.

I have received the following query from NRW, which will require a clarification to be provided:

"The details provided do not provide detail in relation to whether the building would have an impermeable floor such as concrete. Are you able to check with the applicant if the floor will be impermeable?"

Could you please provide an answer to the above as soon as possible, so I can pass this onto NRW?

Kind Regards,

Gwyn
