22/05/2023

Dear Sir/Madam

The Town and Country Planning (Development Management Procedure) (Wales) Order 2012 Planning Application at Chirk Landfill Site.

A planning portal application, reference: PP-12179382, is being submitted online seeking planning permission consent to amend the location of a leachate storage tank within Chirk Landfill Site, Pen-y-Bont Works, Pentre, Chirk, Wrexham, LL14 5AW.

The planning application comprises:

- Planning Application Forms and Certificates
- Drawing ref: 466T010, 'Site Location Plan'
- Drawing ref: 466A287, 'Leachate Tank Application Area Plan'
- Drawing ref: 466A285, 'Leachate Tank Location Plan'
- Drawing ref: 466A286 'Leachate Tank Plan'
- Supporting Statement
- The Planning Application Fee of £460.00 is being sent under separate cover.

The Site currently has two leachate tanks, one is to be decommissioned and a new leachate tank installed. The new leachate tank will be stored in the purpose-built compound located near to the site's main entrance to the south. Leachate tanks are an integral part to the long-term management of leachate at Chirk Landfill Site for the storage and control of leachate arising from the site. The dimensions for the tank and associated infrastructure are:

- 17.5 m (L) x 2.9 m (W) x 3.0 m (H)
Total footprint: 50.75 m²

The Planning Application Fee of £460.00 is derived from the planning portal.

I trust the planning application provides sufficient information to enable the County Planning Authority to determine the application and I look forward to receiving confirmation of validation at your convenience.

Yours sincerely,

Emma Greenhalgh – Secondment Permitting Support (North)
