Re Site: LAND EAST OF NAGS HEAD BETTISFIELD WREXHAM

Thank you for the opportunity to comment on this planning application. Please find our response noted below:

With Reference to the above planning application the company's observations regarding sewerage are as follows.

As the proposal has minimal impact on the public sewerage system I can advise we have no objections to the proposals and do not require a drainage condition to be applied.

Catchment Team comments: This is within the Severn Trent Shropshire Middle Severn priority catchment. Please ensure that all EA guidance and best practice is followed with regards to the septic tank.
