

Roof Plan

Side Elevations

Rear Elevation

Front Elevation

- Notes:
1. The Contractor should check all heights, sizes and dimensions on site before works commence and any errors should be reported to Woodsyde Developments Limited.
 2. Figured dimensions shall take preference to scaling, with any errors reported to Woodsyde Developments Ltd.
 3. The Hay barn shall be constructed of 2m high block walls with a timber upper on the elevations. The doors and roof will be Olive Green corrugated steel sheets.
 4. Side Elevations will be open ends above the wall.

Woodsyde Developments Ltd
