TOWN AND COUNTRY PLANNING ACT 1990

ADEILADU MYNEDIAD I GERBYDAU / CONSTRUCTION OF VEHICULAR ACCESS

1 AEL Y BRYN AFONEITHA ROAD PEN Y CAE WREXHAM

Grid Ref: E 328850 N 345547

I refer to your consultation / email dated 15/02/2023 in respect of the above.

The proposed development site is located on Afoneitha Road which is a classified road subject to a 20mph speed limit.

The proposed development would provide 1 no. off road parking space at the property which would potentially reduce the demand for on-street parking along this section. Although turning provision cannot be accommodated within the site, there are a number of existing driveways along this section which also do not meet all of our current standards.

In this instance, I would have no objections to the proposed development subject to the following conditions:-

CONDITIONS

ZJ41 GENERAL LAYOUT

026R Prior to first use of the development the site shall be laid out in strict accordance with layout plan(s) No. @@@

ZJ13 DROPPED KERB VEHICULAR CROSSING

026R The vehicular access(es) hereby approved shall take the form of a dropped kerb
E05NA vehicular crossing.

ZJ07 ACCESS SURFACE (5 metres)

043R Prior to first use of the vehicular access hereby approved, the access shall be surfaced with hard bound materials (e.g. bituminous macadam) for a minimum distance of 5 metres behind the adjoining highway.

NONSTD NO GATES

033R There shall be no gates or other means of enclosure across the vehicular access point.

Supplementary Notes

The applicant's attention should be drawn to item nos. 1, 2, 3, 4 & 5 of the supplementary notes.
