Subject: RE: P/2023/0221- 47 dwellings South of Berse Rd, Caego

Thanks Gwyn, our original comments still stand and I note that our recommended widths for the footpath have been incorporated into drawing no.011 rev M. I also note Doug’s comments relating to the footpath junction with the highway adjacent to the railway bridge. I would support relocating the termination point of the footpath as part of a diversion if it improves users safety.

Regards

Sean
