

Amy Turner & Dan Spence
31 Darland Lane
Rossett
LL12 0EL

T.1 Oak

- Large Mature Tree
- Standing at roadside with a large crown extending over the road and two driveways.
- Tree is 20-25m tall with a stem diameter of 1200mm.
- Tree shows strong vigour with good leaf size, density, and colour.
- No visible fungal activity at base.
- Large old pruning wounds (likely from time of house building) with some decay.
- Some dead wood in crown.
- Large branch failure over garden and neighbouring driveway during recent storm.

Quotation: Crown Reduction

- Reduce crown all over by 2m to leave a balance appearance.
- Chip and remove brash from site.
- Cut timber for your use.
- Contact WCBC and make TPO application on your behalf.
- Provide traffic/pedestrian management as required.

For the price of £ plus VAT.
