Dear Sir

With regards to the demolition of the kitchen roof at Ysgol - Yr - Hafod (Johnstown Junior School) we are against it. We don't know noise will be coming from the ventilation shafts or the smell. We have been informed that there is asbestos in the roof and we will not be notified as to when it is being removed also more cladding going up to hide the vents yet another eyesore for nearby residents the new build looks a monstrosity, we

have lost most of our outlook.
Over the last 11 months we
have had to put up with noise,
dust and vibration from heavy
machinery which has caused
damage to our house at a
cost of £380 which we have
had to pay for out of our
savings which in our eyes is
unfair.

Yours Faithfully
Mr + Mrs S Edwards.
