LAND OFF JACQUES WAY, WREXHAM P/2022/1015

7 photographs and the following report have been submitted by HDS Architectural Services for the Castlemead Group for the above application:

Nicholls Colton Group 'Interpretative Report on A Ground Investigation for Chester Road, Kelsall on Behalf of Castlemead Group', June 2019 Report No. G19021-IR

Further to my previous Memo dated 04 April 2023, I have reviewed the report and information contained in the accompanying email and can now confirm that the last outstanding matter (2i) in regard to the provision of evidence that the imported soil is from a greenfield site is satisfactorily dealt with. Accordingly I can recommend that condition 10 may now be discharged.
