Submission of Appeal

On 26th September 2023 the Council were notified by PEDW that the applicant had lodged an appeal on the grounds of non-determination.

Under Article 26A of the Town and Country Planning (Development Management Procedure) (Wales) Order 2012 (as amended) there is a four weeks period of “Dual-Jurisdiction” between the Council and PEDW where an appeal has been lodged for non-determination. This allows the Council to continue to determine the planning application. The appeal was lodged on 22nd September 2023, therefore the 4-week Dual-Jurisdiction period ends on 20th October 2023.

Other Matters

- There is capacity to treat additional wastewater from the proposed development within revised Environmental Permit limits, or
- That the sewer network and associated WWTW has the hydraulic capacity to accommodate additional wastewater without contributing to an increase in frequency or duration of storm overflows.
