Good morning Chris,

I have now received formal comments from the Local Highway Authority for the above planning application, confirming no objections subject to conditions.

I have thus now started writing the application up for determination. One query I do have is how long is permission sought for? I understand the building would be temporary, and therefore I would be looking to attach a condition to ensure it is not retained in perpetuity. Could you please confirm how long the permission is sought for?

Subject to receiving a response to the above point, I am hoping to get the report finalised by the end of the week. Could you therefore please agree an extension of time until 26/07/2023?

Kind Regards,

Gwyn
