

This drawing is to be read in conjunction with the following :

-
- Collingwood BOL301
(or similar) illuminated
bollard approx 1m high
- Light spread is
angled down

Collingwood BOL301 BOLLARD (or similar)

1.8m

Vertically laid featheredge timber boarding

Timber gravel board

Diagram illustrating the cross-section of a timber fence. The fence consists of three horizontal timber rails supported by vertical timber posts. A person is standing next to the fence for scale, with a dimension line indicating the height from the ground to the top rail is 1.2m. Labels identify the 'Timber posts' and 'Horizontal timber rails'.

[illegible]

Rev B	3 No. lighting bollards removed following comments of council ecologist	Oct 2023
Rev A	Surfacing of pitches amended	July 2023
