Subject: Re: Planning Application P/2023/0189 - St Christopher's School

The school is taking extra pupils to make up to the 285. these two new classes will be occupied by 2 classrooms of pupils allowing us to run our classes as required in small groups.

Our capacity is then in the hands of the LA as they determine who has a placement with us

Are you able to provide us with a timescale for the planning- I am worried as I don't know what will happen to the pupils in September if we don't have space

Many thanks

Margaret

Good Morning Margaret,

Thanks very much for your e-mail – so just to clarify you've currently got capacity for 300 pupils in the school, will the school be taking on any additional pupils (so that the total no. is more than 300) once the new double classroom building is in place?

Kind Regards

Francis Bird

Hi

We have a number of 300 pupils I think but our numbers dropped to 265 and we are now back up to 285 so we haven't gone over numbers just higher than we previously were and changes in how we run school mean that every child is in a classroom and not at college

Many thanks

Margaret

Hi Jeff,

The Planning Officer has asked again for information on any expected increase in staff and pupil nos following consultation with Highways – are you able to confirm please?

Thanks & Best Regards
