Product Description

Designed to create a classic driveway look and finish, with hardwearing performance, **Drivesett Savanna®** combines high quality with great value. These classic shape blocks are available in a range of contemporary colours and sizes to provide the right aesthetic for every property style. Complete the look and add that ideal finishing touch to complete your driveway installation with our matching [Drivesett Savanna® Kerb](#).

To find out more information on how to install a block paved driveway, please see our helpful [installation video](#). Alternatively, if you are looking for a professional to install your driveway, look no further than the [Marshalls Register of Accredited Installers](#).

Complete your driveway project using [Marshalls Joint Filling Sand](#); a special kiln dried sand suitable for use with all types of block paving and available in two colours - Red and Golden.

- Stay in style with the classic driveway look and finish of Drivesett Savanna®
- Enjoy peace of mind with this high quality, durable block paver
- Choose from a variety of popular colours to suit your property
