28th June 2023

Dear Rhian

Ref: P/2023/0361 - Willington Lodge, Horsemen's Green, SY13 3BZ - Conversion of Barn into wedding venue

The Community Council has received a response from local residents whose properties back on to the fields facing Willington Lodge. They are worried that the new facility will result in more events taking place with an associated increased noise nuisance. They have come to accept and tolerate the current frequency of noisy events, but believe any increase in either frequency or intensity would be unacceptable in a rural location.

Yours sincerely

Christine Roberts

Clerk
