16 Coleman Road, Brymbo, Wrexham
Parking and Operation of 2 Private Hire Vehicles

Further to your email / consultation dated 05/04/2023 in respect of the above, I comment as follows:

The application (P/2023/0077) submitted is for the parking and operation of a taxi operators license, and two private hire vehicles at an existing residential property address.

The application form advises that vehicles will be only available to pre-booked customers, resulting in no customers arriving at the property.

The property currently has a driveway, approximately 8m x 6m wide, with a dropped kerb.

We would advise that there are no highway concerns with this proposal.
