Legacy National Grid Substation, Bronwylfa Road, Talwrn, Wrexham, LL14 4HY
Installation and operation of a battery storage facility and ancillary development

Further to your email / consultation dated 21/04/23 in respect of the above, Highways comment as follows:-

The proposal is for installation and operation of a battery storage facility and ancillary development at land to the north of the Legacy National Grid Substation, Bronwylfa Road, Talwrn, Wrexham. This application is for a revised layout to a previously consented scheme at the same location, under planning reference P/2021/0441.

There is no highways reason why planning permission should not be granted and there are no objections to the proposals.

Chief Officer, Environment & Technical
