Good Morning Leeza,

I hope you are well. I am back from paternity so just after an update on where you are up to? Any updates or are we still looking at the end of June?

If so can we agree an extension of time until 23rd June 2023?

Kind Regards

Tyler Fox

Hi Tyler

If it's ok I would prefer a little longer I am away until the 15th May and just getting quotes from joiners can take weeks and then they would have to do drawings suitable so it's going to be end of June I would have thought.

I hope that's fine.

Kind regards

Subject: 17 York street window.

Hi Tyler

Thank you for coming back to me with regards to the window replacement for 17 York street Wrexham.

I do understand your views however I am a little frustrated as I think if you saw the window panel you would see that it is very good quality and a good representation of wood and used in conservation areas throughout the country.

I would also like to keep the application open but if you don't mind, I will need longer than three weeks.

Firstly, I will have to gain access from the lease holder who runs a busy hair salon, gain quotes from joinery firms and then wait for drawings to be completed. This is not going to be ready within three weeks plus I am on annual leave for two weeks from Saturday.

I put the original application in at the beginning of the year, so I am sure you understand these things take time.

I have also changed my email address please can you replay to my new email leeza@steggles.net

Kind regards

Leeza
