18. Notwithstanding the approved plans, a plan of refurbishment works for the listed building shall be submitted to and approved in writing by the Local Planning Authority, within 12 months of the date of this permission. The submitted plan shall include a timescale for implementation of these works. The development shall be carried out in accordance with the approved details.
19. The development shall not be brought into use until the car park identified on the 1:1250 Location Plan (received 14/06/2019) is completed and fully operational.
20. Notwithstanding the approved plans, no part of the development shall commence until a scheme detailing means of controlling entry and exit into and out of the Campus via the Plas Coch access have been submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be fully implemented prior to first use of the development hereby approved.
21. Prior to commencement of development, and/or any works of demolition, including any works of site clearance, an updated bat survey (no older than 6 months) shall be submitted to and approved in writing by the Local Planning Authority. If bats are found to be active on the site, the report shall provide details of a suitable mitigation strategy and determine whether a development licence is required. Thereafter, the development shall be carried out in accordance with the approved details.
22. Development shall not commence until a scheme of phasing of the development has been submitted to and approved in writing by the Local Planning Authority. The phasing plan shall set out timescales for the demolition of all buildings proposed for demolition on the 1:1000 Proposed Demolition Plan Rev P2 and the erection of all new buildings shown on the 1:1000 Proposed Plas Coch Masterplan Rev P2. The scheme shall ensure that during each phase of the development there is no net increase in floor space in use.
