**Importance:** High

Dear Sarah

Many thanks for your letter dated the 12<sup>th</sup> September regarding the above planning application. This was discussed at the Council meeting on Monday. Councillors voiced their objection due to concerns regarding the size of the greenhouse, as well as access to the site and the possible increase in traffic as a result, on a lane which is very narrow and steep.

Many thanks

Jean Davies  
Clerk to Llansantffraid Glyn Ceiriog CC
