Dear Amy

Thank you for the re-consultation on this application.

We note that the Aeon Archaeology Level 2 historic building survey which was added to the planning portal on 25/5/23. This report relates to the buildings that are the focus of the current application. We had already received and approved this report on 26/8/21 when works to these buildings were already well under way in relation to a previously permitted application.

We therefore have no additional requirements and comments to add to the new application. The condition for the Level 2 survey on the previously consented application can now be discharged.

Kind regards

Mark Walters
