Hello,

I apologise for the delay, I have written your application up and recommended it for approval, submit to manager sign off.

So that I can get it signed off and decision notice out, would you agree and extension of time till the 4th November 2022?

Many Thanks

Alexandra

Importance: High

Hi Alexandra – thank you for getting in touch.

There are two business vehicles here. L21 WCH (E-Class Estate Mercedes, £25,000), and S70 WCH (S-Class Mercedes, £30,000)

There are no personal vehicles here. My wife and I (Geth Thomas, and Lynwen Thomas) are both holders of Private Hire Drivers licenses with Wrexham Council. Both Mercedes cars are insured for Private Hire (hire and reward), and we can also use both for “Social, Domestic and pleasure”.

There is very little need for any additional vehicles (and expense) when we have access to the work/business cars.

Customers do NOT come to the house. This is our private residence – and we run the business online from an office upstairs. The bookings are made over the phone, or online (email, or website booking form).

We used to live at 57 Goodwick Drive, Wrexham, LL13 0JY, and had planning permission to operate our business from that address – which we did for 2 years without any issue.

We are a chauffeur service – and are a very different proposition to the likes of Apollo, Prestige, Station cars etc... We only deal with high-end clients who are prepared to pay our fees for a high end luxury chauffeur service, hence the value, make and model of our cars. We are NOT a taxi office – we do not collect customers from our home address, or drop them off here.

I can confirm that no customer vehicles are left here, and no customer vehicles are parked on the road near our property.

There is no material impact on any of our neighbours – the only thing that they notice about us operating from our home address is that there are two fancy Mercedes cars, both with Wrexham Taxi plates on them.

The white Vauxhall car that can be seen in a photo in the application pack merely demonstrates that a third car CAN be parked on the drive – but since Lynwen has her Private Hire licence – the White Vauxhall has been sold because we didn't need it anymore...(and we needed the money from the sale of the car to pay for the house).

Kind regards,
Geth Thomas

Good Afternoon,

I was asked to give you a call regarding your planning application. I understand it was due on Monday but I haven't managed to complete it yet.

I have assessed the application and the comments. I am in support of the application but I wanted to confirm a few things?

How many business vehicles are there?

How many personal vehicles are there?

Will customers be coming to collect the vehicles or will you be dropping them off?

Can you confirm no customer vehicles will be left at the property or on the road?

Many Thanks

Alexandra
