

Ballswood Quarry: Changes to the Limit of Extraction within the Existing Planning Permission Boundary
Relating to Area A

DRAFT

PROPOSED ROUTE OF PERMISSIVE PATH WITH WOODLAND ADJACENT TO GEGIN LANE

Proposed New Section of Permissive Path

Connecting into the local PROW network

New route allowing off road public access within the northern area of Ballswood Quarry land ownership - running parallel to Gegin Lane

- Proposed Permissive Route
- British Standard Public Access Gate
- 20mph Advisory Speed Limit Sign & Traffic Calming Speed Sign (Automated)
- 20mph Advisory Speed Limit Sign only

Note. Health & Safety Fencing to be erected along the full route.

Note. in respect of the existing gated vehicle access point, it will be possible to either set the existing gates back to allow continuity of the route OR for the route to run along the existing concreted entrance before returning to the proposed new footpath route via pedestrian gates.
