

**MEMORANDUM**

From: Rebecca Pomeroy**To: Shawn Fleet****Head of Service Public Protection
Planning Control Manager****Our Ref:****Your Ref: P/2022/0593****Date: 22-07-2022**

Town and Country Planning Act 1990**Town and Country Planning (General Development Procedure) Order 1996****Re: P/2022/0593, 5 CHURCH STREET WREXHAM****ADDASU SWYDFEYDD AR Y LLAWR CYNTAF I GREU 4 FFLAT / CONVERSION OF FIRST FLOOR OFFICES TO FORM 4 NUMBER APPARTMENTS****ZP09 - SOUNDPROOFING OF A BUILDING (BETWEEN FLOORS/WALLS)**

No part of the development shall commence until a scheme of noise insulation and attenuation measures between the proposed residential accommodation and ground and first floor commercial unit as well as the walls with the neighboring commercial units (in compliance with Building regulations guidance: part E - resistance to the passage of sound) has been submitted to and approved in writing by the Local Planning Authority. The measures as are approved shall be fully implemented in strict accordance with the scheme prior to first occupation / use of the development and shall thereafter be retained as such.

A23N - BURNING OF WASTE ADVICE

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;

Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of such a notice can result in prosecution;

Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Planning & Regulatory Department on 01978 292 040 for further advice and information.

A26N - TAN11 NOISE SURVEY ADVICE

The development site is in close proximity to licensed premises and the developer is therefore required to carry out a noise survey in order to determine noise levels for both day (07:00 – 23:00 hours) and night (23:00 – 07:00 hours) having regard to Planning Guidance (Wales), Technical Advice Note (TAN) 11 – Noise. The report of the noise survey findings shall include:

a) Noise levels arising from day/night time activities in the vicinity of the proposed development site and the impact upon the proposed accommodation, and

b) A detailed scheme of noise insulation and / or attenuation measures so designed to safeguard the amenity of the future occupants of the proposed accommodation hereby approved.
