Good afternoon,

Thank you for the information regarding the application referenced above.

The documents within the planning portal only include the written scheme of investigation for condition 4, the archaeological watching brief, and as such the condition cannot be discharged.

The full report will need to be approved and deposited with the correct area HER team before the condition can be discharged fully (See text below for details).

On approval by the Local Planning Authority, project data must be submitted and approved for inclusion in the Clwyd-Powys Archaeological Trust's Historic Environment Record [CPAT HER]. For any questions regarding this submission process, please contact the HER Team at her@cpat.org.uk. The full digital archive must also be submitted and approved for inclusion within the National Monuments Record, RCAHMS or the Archaeology Data Service, ADS.

If you have any further questions do get in touch.

Kind regards,

Neil Bayliss
