Dear Sir/Madam,

Site: Former Methodist Chapel lane from forge farm to properties Chirk.
Development: Conversion of Building To Dwelling.

We refer to your planning consultation relating to the above site, and we can provide the following comments in respect to the proposed development.

Dwr Cymru Welsh Water are not the sewerage operator for this area and it appears the applicant does not propose to connect to the public sewer, since the proposal intends utilising an alternative to mains drainage we would advise that the applicant seek advice from Natural Resources Wales and the Building Regulations Authority as both are responsible to regulate alternative methods of drainage.

However, should circumstances change and a connection to the public sewerage system/public sewerage treatment works is preferred we must be re-consulted on this application.

Our response is based on the information provided by your application. Should the proposal alter during the course of the application process we kindly request that we are re-consulted and reserve the right to make new representation.
