Annwyl Syr/Madam / Dear Sir/Madam,

BWRIAD / PROPOSAL: ADNEWYDDU AC AILWAMPIO'R FARCHNAD GAN GYNNWYS DISODLI STONDINIAU, DRYSAU, GOSOD LIFFT AC ADNEWYDDU BLAEN SIOPAU / RENOVATION AND REFURBISHMENT OF THE MARKET INCLUDING REPLACEMENT OF STALLS, DOORS, PROVISION OF LIFT AND RENOVATION OF FACADES

LLEOLIAD / LOCATION: The Butchers Market, High Street, Wrexham, LL13 8AD

Thank you for consulting Cyfoeth Naturiol Cymru / Natural Resources Wales with additional information about the above, which we received on 12.12.2022

We have no objection to the proposed development as submitted and provide the following advice.

Protected Sites – Foul Drainage

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). As you are aware, on the 21st January 2021, we published an evidence package outlining phosphorus levels for all river SACs across Wales. In line with our [Planning Advice](#) (July 2022), under the Habitats Regulations, Planning Authorities must consider the phosphorus impact of proposed developments on water quality within SAC river catchments. We therefore advise you to consider whether the proposals, as submitted, would increase the volume of foul discharge from the site in planning terms.

However, recognising the specific nature of the application submitted for the refurbishment of the existing indoor market and based on the additional information received via email from the planning case officer received 12.12.22, we are satisfied that it is unlikely to increase the amount of phosphorus entering the catchment. Therefore, we are satisfied that the proposal is not likely to have a significant effect on the River Dee and Bala Lake SAC.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully

Sara Thomas
