Dear Sharon, it's N1 Central Buildings as per your records. The planning portal couldn't match it

Dear Sir,

I refer to the recently submitted application please could you confirm the full address of the application site, the application form states 3 Central Buildings (flat 1), however the plans say No. 1 Central Buildings which matches our mapping system. I would be grateful if you could confirm the full postal address of the application site at your earliest convenience

Kind Regards
