Dear Planning,

Thank you for consulting Natural Resources Wales in relation to the above on 17/05/2022.

We have reviewed the ecological submission (Stevens. J. 2022. Kronospan North East Warehouse: Ecological Mitigation Report. Avian Ecology) which we consider to be satisfactory. We therefore have no objection to the discharge of condition number 7 of planning permission P/2021/0725.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our [website](#). We have not considered potential effects on other matters and do not *rule out the potential for the proposed development to affect other interests*.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

Kind regards,
Tristan Williams
