Dear Sharon

Thank you for the consultation on this application.

I note the archaeological desktop study/HIA report which is included and this concludes that there is no direct impact to any archaeology and only a minor/negligible setting impact to nearby designated sites and the buffer zone of the World Heritage Site. We would therefore have no objection to the development. Cadw should be consulted for their opinion on designated site impacts via [cadwplanning@gov.wales](mailto:cadwplanning@gov.wales)

Kind regards

Mark Walters
