DECLARATION	Are you the Registered Owner of the property	Yes	No
The Surveyor has discussed the Survey in full and I agree to the designs and all other details finalised during his visit. I confirm all special requirements and information relevant to the order, including everything that was discussed with the salesperson, has been disclosed. I therefore authorise Anglian Windows to proceed with the manufacture in accordance with my preferred delivery requirement and the terms and conditions of the contract. I also confirm that the Anglian Representative has explained and demonstrated, with samples, where colour differences may occur in placing this order. I accept the products and accept that I cannot use the colour difference as a reason to reject the goods or cancel the contract at a later date.

Structural Defect Report - List below any visible External/Internal defects

Customer aware cottage bar 25mm in depth.
different than existing.

PLEASE NOTE: It is not always possible to identify if lintels are present when the existing windows/doors are in situ. If at point of install it is found that the structure is unsupported/compromised then it may be necessary for lintels to be installed. Should this be the case then additional costs will apply to the customer in order to make the aperture structurally sound.

General Notes / Special Requirements

Customer has been shown sample of Emerald Green at survey.
Outer frame to be emerald green out white. In window vents with both sides Grade 2 listed at front only, customer to gain permission for window designs.

Variation Of Contract
