Dear Mr & Mrs Gray

Further to our recent discussions please find below our quote and specifications for your proposed swimming pool.

1. Swimming Pool

To supply and install all pool fittings and equipment for a tiled indoor swimming pool 10m x 5m x 1.7m to a water depth of 1.5m to the specification below. Also, to oversee and advise on the excavation and pool building work. Price to include 24" filter combined with 1hp pump and Variheat unit. The pool will contain LED white push fit lights x 7 and a Chlorine inline feeder.

2. Tiling

To provide the render screed and tanking to the pool only with tiling the top edge and surround which will be excluding the tiles themselves which will be chosen later.

3. Dehumidification and air handling system

Vaillant AroTHERM 10kW Air Source Heat Pump (9.6kW output at -2°C) to provide heating only. For controls, a heat pump controller with 2 x electricity meters has been included. A suitably sized heating expansion vessel, 50lt Wall Mounted Buffer Tank, 1 x Wilo 7.5m circulation pump & 1 mechanical strainer will be supplied. With additional materials: 1 x HAGER Demand Contactor. A fittings pack with the main components (all listed below) will also be supplied that will allow for: The Provision of 7kW of heat down to -2oC ambient at 50oC for a Certikin Combined AHU / Pool Water

4. Pool Cover

To supply and install a Roldeck automatic slatted cover in a white colour (colour change optional at client's expense) PVC slats. With the roller mounted in a below floor pit at the end of the pool to include cantilever support brackets and fibreglass front beam based on 600mm centres. Excludes pit toppings.

5. Bespoke Skimmer Spa

To supply and fit a 2.4m round spa in a GRP fibreglass shell structure with a full foam insulation and a choice of mosaic tiles upto the value of £40.00 P/M2.

Included are the floor, walls, seats, steps, two tiles down on the eternal rim and a choice of tile grout.

Price to include all pumps, air blowers, filtration system, controls, hard cover and delivery to site.

6. Underfloor duct work

To supply and install underfloor duct work for return air from AHU, to include floor linear bar floor grilles, finished in white, the same length as the windows. To also include fresh air intake, exhaust ducting and external grilles in plant room wall.

7. All electrical work for equipment to include lights, to the plantroom all cables and overloads.

8. Swimming Pool Engineer

Configuration of all pipework and pool equipment without electrical connections

All prices include VAT.

Payment Terms

Deposit with order	20%
When ducting complete	20%
When pool shell tiling complete	15%
When Filtration and air handling unit installed	15%
When Roldeck delivered	20%
Balance on commissioning	10%

I hope the above meets with your requirements and if you are happy to proceed, I would be grateful if you could please sign a copy of this letter to confirm specification, and return.

Yours sincerely

Mr Carly Rogers
